IV. Tossup Question Procedures

- Players must buzz in within 5 seconds of the end of the question being read, unless it is a math computation question, in which case, players must buzz in within 15 seconds of the end of the question.
- Players have 3 seconds to answer once the moderator has recognized him/her.
- Toss-up questions are only read once.
- If a completed toss-up question is answered incorrectly by the first team, the opposing team may still buzz in within 5 seconds and attempt to answer.
- If a toss-up question is interrupted and answered incorrectly, the reader will pick up at a logical place and finish the question for the opposing team only.
- No points will be subtracted if the interrupted toss-up question is answered incorrectly.
- There will be no pauses nor will breaks be allowed while answering a toss up question.
- On toss up questions, players may only engage in non-verbal, non-written conferral with teammates only (no spectators, alternates, coaches) as long as it doesn't involve conveying the answer.
- If the moderator accidentally provides the correct answer on a toss-up question after the incorrect answer is given, that toss-up question will be eliminated and another toss up question will be given to the opposing team only.
- A player may give two pieces of information in relation to the “creator-creation” rule. Example: *The Great Gatsby* is one answer; *The Great Gatsby by F. Scott Fitzgerald* is two answers and is correct according to the rule.
- Each toss up question is worth ten points.

V. Bonus Question Procedures

- When answering a toss up question correctly, the team earns the first opportunity to answer a two part bonus question.
- Players on both teams may consult one another during bonus questions for 5 seconds, unless it is a math computation question, in which case, 15 seconds is allowed.
- Each part of the bonus question will be read only once and will be answered before moving on to the next part of the question.
- Team captains will answer bonus questions unless he/she designates another team member to answer, but answers must still be given within the 5 second answer time.

- If someone other than the team captain is giving an answer without the captain's permission, the moderator will look directly at the captain and ask for an answer. If someone hits the buzzer, it will still be up to the captain to answer.
- Each bonus part answered incorrectly or not answered by the team earning the bonus will be bounced back immediately to the opposing team. The opposing team captain must answer within 3 seconds after the moderator offers the bonus to him/her. If the captain defers, the answer must be given immediately by the player to whom the captain defers.
- If the moderator accidentally provides the correct answer on a bonus question after the incorrect answer is given, that bonus question will be eliminated and another bonus question will be given to the opposing team only.
- A player may give two pieces of information in relation to the "creator-creation" rule. Example: *The Great Gatsby* is one answer; *The Great Gatsby by F. Scott Fitzgerald* is two answers and is correct according to the rule.
- Each bonus question is worth 10 points per part for a total of 20 points.
