

Science Fair

For the 2018-19 School year the GICAA will host a Science Fair for Middle School and Elementary School.

- Each school may send 2 students from Middle School (6th -8th) and 2 students from Elementary School (3rd - 5th).
- Schools are expected to host their own Science Fair in order to determine the students selected to attend.
- The Fair will be held at 1 location and the top 3 placing students in each division (MS & Elem) will receive medals.
- A rubric for judging will be provided.
- Any discipline of science will be allowed.
- More rules to follow...
